

## Making an Account

1. Download the READsquared app or go to <http://neplibrary.readsquared.com/> and choose "Register"

2. Choose to register yourself or yourself and children (in the app, it will also ask you to search for and select "Norwalk Easter Public Library.")

3. Enter information and create a username and password

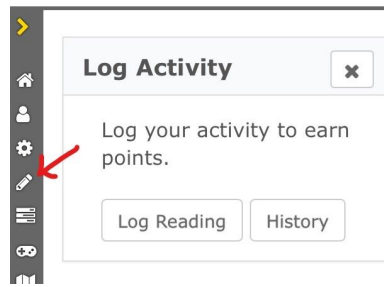

4. Enter children's account information, if applicable (they don't need their own username and password)

5. To add another adult account on the same device, click the three lines in the upper left and then "add account"

## Logging Reading

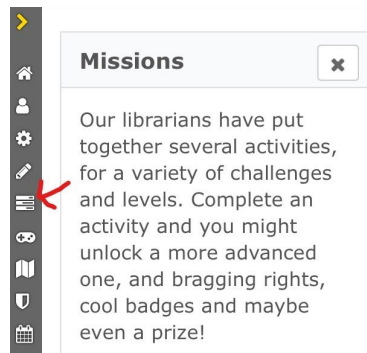

1. Click the pencil icon and then “log reading”

2. Enter “1” under “How many Days did you read?”
  - Choose the activity date (today, or a past day, enter one at a time if you need to log past days)
  - You can log a day if you read any amount for any length of time that day.
  - Adding a book review is optional.
3. Select family members who read that day, if applicable

## Missions

1. Scroll down on the main screen, or click the three horizontal bars to see “missions”

2. You will see the available missions for the account selected.
3. To see missions for different age groups, click the person icon in the sidebar to select other family members.
