*These are some special items that the library could use multiple copies of to meet the needs of our patrons. All of these items help enhance learning and expand users' creativity, imagination, and knowledge. They are also items that many people may not be able to afford to purchase for their own use, but would greatly benefit from borrowing from our library! If you have questions about any of these materials or making a donation, please contact Library Director Jean Bosch at jbosch@norwalk.iowa.gov .
