

Paw Patrol STEAM Play Kit - \$186 each*

It's all Paw Patrol in this kit for preschool-Kindergarten children! Join Chase, Marshall, Skye, & other characters exploring Adventure Bay with multiple imaginative and pretend play options sure to entice any fan and create some new ones! Kit includes hand puppets, a large community play mat, and character dress-up cards.

*Paw Patrol is VERY popular, so the library is requesting two of these kits as they are guaranteed to always be checked out and being used by children! Contact aclark@norwalk.iowa.gov for information on donating.

Let's Explore Space STEM Kit - \$156 each*

Learn & explore space with this kit that includes a telescope, constellation and solar system projector, and book about stars and galaxies. What a fun way for families to learn and explore our world together! Recommended for grades 4 & up.

*STEM (Science, Technology, Engineering, & Math) kits are very popular with families and this topic directly supports our "Beyond the Beaten Path" Summer Reading Program theme, so the library is requesting two of these kits to meet needs and reduce waitlists. Contact aclark@norwalk.iowa.gov for information on donating.

Launchpad Preloaded Educational Gaming Tablet - \$100-200 each*

Add to the library's existing and very popular collection of tablets featuring educational and fun materials using no internet or downloads. Many age levels and subjects available.

*Contact aclark@norwalk.iowa.gov for price list, subject list, or more information.

Book Club Set - \$100 each*

A book club in a bag - perfect for anyone hosting your own book discussion! Each book club set contains multiple copies of a book plus discussion materials. Our Book Club Sets cover a wide variety of topics and genres for both adult & youth titles.

*Contact kbecker@norwalk.iowa.gov for price list and title suggestions.

Busy Bottle Kits – from \$50*

Busy Bottle kits can be used with all ages and contain an “I Spy” bottle of themed treasures to hunt for along with laminated cards of the hidden items. Each set also includes laminated cards with conversation starters and reminiscence questions helpful for working with seniors to encourage trips down memory lane. Imagine the stories grandma and grandpa will tell when using the baking, fishing, dogs, cats, outdoors, music, birds, tools, or holidays bottle kits. Or the fond memories shared with the family stirred by the wedding bottle! These kits are also useful to encourage play and conversations with children too!

*Many topics are available and can be purchased as single themed kits for \$50; dual themed kits for \$150. Contact kbecker@norwalk.iowa.gov for price list and theme suggestions.
